**Units**

About 1,500

**Description**

This recall involves CleggPromo CPB-100 power banks, catalog item number 625401, which are used to provide emergency charging for portable electronic equipment. The recalled power banks are rectangular in shape with rounded corners and are about 3 1/2 inches long by 1 3/4 inches wide by 3/4 inches deep. The power banks are cream colored and have a silver panel on the top side with a white power button, four circles and the word "POWERBANK." The left end of the power bank has a standard USB port with the word "Out" above it and a power indicator LED light. The front side has a micro USB port with the word "In" below it. Input, output and capacity information are also on the front side.

**Incidents/Injuries**

There is one reported incident of the power bank overheating, exploding and catching fire, resulting in fire damage. No injuries have been reported.

**Remedy**

Consumers should immediately stop using the recalled power bank and contact CleggPromo to receive a free set of executive pens as a replacement product. CleggPromo will send consumers a prepaid shipping box and instructions on how to return the power bank free of charge.

**Sold at**

The recalled power banks were not sold at retail but were promotional items given as handouts at corporate events, meetings, trade shows and conventions from January 2014 to April 2015.

**Manufacturer(s)**

Sinotec Technology, of Hong Kong, China.

**Manufactured in**

China

The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of injury or death associated with the use of thousands of types of consumer products under the agency's jurisdiction. Deaths, injuries, and property damage from consumer product incidents cost the nation more than \$1 trillion annually. CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical or mechanical hazard. CPSC's work to help ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters and household chemicals — contributed to a decline in the rate of deaths and injuries associated with consumer products over the past 40 years.

Federal law bars any person from selling products subject to a publicly-announced voluntary recall by a manufacturer or a mandatory recall ordered by the Commission.

To report a dangerous product or a product-related injury go online to [www.SaferProducts.gov](http://www.SaferProducts.gov) or call CPSC's Hotline at 800-638-2772 or teletypewriter at 301-595-7054 for the hearing impaired. Consumers can obtain news release and recall information at [www.cpsc.gov](http://www.cpsc.gov), on Twitter [@USCPSC](https://twitter.com/USCPSC) or by subscribing to CPSC's [free e-mail newsletters](#).
