

**BOROUGH OF WASHINGTON,  
WARREN COUNTY, NEW JERSEY  
SHADE TREE COMMISSION AGENDA**

**SEPTEMBER 11, 2017**

**Minutes:** Regular Meeting – June 12, 2017

**Communications:**

1. Tree City USA: Bulletin #4 “The Right Tree for the Right Place”
2. Arbor Day July/August 2017 Newsletter

**Old Business**

1. 17 Lambert Street Unsuitable Replacement Trees Certified Letter
2. CSIP Grant Update
3. 89 Grand Avenue Removal Request
4. 116 East Washington Avenue Uneven Sidewalk Hazard
5. 200 West Warren Street Stump Removals

**New Business:**

1. 128 Belvidere Avenue- Property Owner (Roger Skoog) request a town tree be removed due to a deteriorating stone wall on the property. The tree was originally planted too close to the wall.
2. 130 Broad Street- Property Owner (Douglas Eaton) reported a crack in the trunk of a town tree. There is concern regarding the stability of the tree as a potential hazard.
3. 20 West Stewart Street – Property Owner (Stelio Kontos) requests that the 2 town trees on his property be trimmed.
4. 263 West Warren Street – Neighbor (Diana Allen) reported that a town tree was growing into their pine tree and causing it to deteriorate.
